MAINTENANCE AND CARE

1. Cleaning

- Wipe with a damp cloth to remove dust and dirt.
- For stubborn stains, use a mild detergent.
- Do not use harsh chemicals or abrasive materials to avoid damaging the surface.

2. Storage

- When not in use for a long time, disassemble the connectors and stack the panels for storage.
- Store in a cool, dry place away from direct sunlight or humid conditions.

3. Replacement

- If you find any cracks or damage to parts (e.g., connectors, suction cups) upon receipt, or if any parts are missing, please contact us and provide photos of the damaged parts for faster assistance.
